

CBW50+ COMBI WASHER

This combination washer is the perfect system to wash and sanitise a variety of bottles, dishes, cups etc. The design of this range uses specially made manifolds to ensure the inside of the bottle is thoroughly cleaned, with a cycle time ranging between 80 - 240 seconds.

The CBW50+ is perfect for wineries, restaurants, breweries and small to medium food processing industries.

Standard Features

- Easy transition from bottle washer to dishwasher
